The Barrel Daze Stallion Incentive Program Futurity & Maturity Sidepots are provided exclusively for offspring of stallions that are enrolled in the VGBRA Stallion Incentive Program. A Stallion Service Auction is held in January each year for people to bid on donated stallion services from program stallions. Money generated from the auction (and reference sires that are paid into the program) are the source of the added purses for the Barrel Daze Futurity/ Maturity and the Stallion Incentive Sidepots, which includes a large payout for the Stallion Owners. For more information or to view a list of eligible stallions go to <http://vgbrastallionincentive.com>
