VALLEY GIRLS BARREL RACING ASSOCIATION

In the spring of 1961, the President of the Washington Barrel Racing Association came to Walla Walla to hold a meeting of girls interested in barrel racing. To encourage participation, a regional awards system was set up and at the close of the season, top ten awards were given. The area encompassed interested girls from both Oregon and Washington who were competing in the Walla Walla Valley. A saddle was given to the "Walla Walla Regional Barrel Racing Champion, in 1961.

The following year, a formal group was organized to be known as the Valley Girls Barrel Racing Association. A junior division was set up. Shodeos were held to raise money for awards. Saddles and top ten awards were given.

In 1977, the Valley had grown enough so that a third division was formed. Awards were given in the junior, senior, and open divisions. In 1995 the Novice Horse Division was added. 1998 saw the addition of another division, the HONORS, in 2012 the Amateur Division was added and in 2018 VGBRA opened their membership borders north to Pomeroy, south to Pendleton and west to Burbank. VGBRA secures a saddle to be given to the Overall Champion. In 2016 Gold Card member, Shirley Dickerson, passed away. VGBRA gives a gorgeous buckle to Reserve Over All Champion in memory of Shirley who painted all of our Reserve Over All Champion portraits.

The first Barrel Daze weekend was held in 1979 with the first futurity being added in 1981. These two events, held together, have grown to be among the largest of their kind in the Northwest.

Members of VGBRA, "run the barrels" in many types of competition, (WBRA, OBRA, WPRRA, ICA, NIRA, PWRA, NPRA, AQHA, Junior, High School, College, and Pee Wee Rodeo Associations, and at the Pioneer Posse) but at home they are united in a common cause.....good barrel racing!

2. In small arenas, where possible, it is recommended the pattern be a minimum of 15' off the fence for the 1st and 2nd barrels and 20' for the 3rd barrel. The score line should be a minimum of 45' from the fence where you enter.

secretary when there is more than a single go on the pattern.
